Re: United States v. Sayfullo Saipov
(S1) 17 Cr. 722 (VSB)

Dear Judge Broderick,

We write with respect to the Court's Orders directing the defense to file "any request concerning masking and/or vaccination requirements for jury selection and trial," which is due today. Dkt. Nos. 487, 491. The parties are still working towards an agreement regarding the terms of the defense's request, and we need a few more days to finalize our negotiations with the Government and to confer with Mr. Saipov. Therefore, the defense respectfully requests an extension to August 31, 2022, to file its vaccine and masking-related motion and corresponding documents, and a commensurate one-week extension of the Government's response deadline, to September 7, 2022.

The Government does not object to this application.

Respectfully submitted,

/s/
